Notes:

- (1) In this presentation, date of diagnosis is defined as the date the specimen was collected by the provider.
 - (2) Rates are shown per 100,000 persons and were calculated using census estimates for that year except for 2008 and 2009 which utilize 2007.
- Small numbers are unstable and should be interpreted with caution.
Provisional data. Numbers subject to change when additional information is gained.
